   c. spatial intelligence
   d. naturalistic intelligence
   e. none of the above

   Ans. a= emotional intelligence

   Solution: Please go through lecture notes of week-8 (slide no.03) for better understanding.

QUESTION 2:

2) Which of the following is a role taken up by turnaround leaders?
   a. Learn
   b. Teach
   c. Model
   d. All of the above

   Ans. d= All of the above

   Solution: Please go through lecture notes of week-8 (slide no.07) for better understanding.

QUESTION 3:

3) ___ means possessing requisite capacity & knowledge required for management, possessing the key skills & knowledge required to deliver the tasks that make up the specific job
   a. Competence
   b. Interest
   c. Cognitive capacity
   d. Creative intelligence
   e. None of the above

   Ans. a= Competence

   Solution: Please go through lecture notes of week-8 (slide no.12) for better understanding.

QUESTION 4:

4) Which of the following is not a dimension of the 'Turnaround Academic Leadership Capability Framework'?

   a. Personal capabilities
   b. Interpersonal capabilities
   c. Cognitive capabilities
   d. Role-specific competencies
   e. Athletic competencies

   Ans. e= Athletic competencies

   Solution: Please go through lecture notes of week-8 (slide no.14) for better understanding.

QUESTION 5:

5) ICT for supporting learning on-line courses for distance – learning through _____

    a. multimedia resources
    b. e-conferencing & video conferences
    c. discussion forums
    d. live lectures (Video streaming)
    e. all of the above

    Ans. e= all of the above

Solution: Please go through lecture notes of week-8 (slide no.40) for better understanding.

QUESTION 6:

6) Turnaround leaders can manage relationships with stakeholders through ___

    a. Building a sustainable learning community
    b. Monitoring & self-evaluation
    c. Networking with other agencies
    d. Performance evaluation & management
    e. All of the above

    Ans. e= All the above

    Solution: Please go through lecture notes of week-8 (slide no.20) for better understanding.

QUESTION 7:

6) ___ is the term for using a combination of competition & cooperation for bringing change within the system

    a. Compete-eration
    b. Co-opetitions
    c. Collaborative competition
    d. Combinative cooperation
    e. None of the above

    Ans. b= Co-opetitions

   Solution: Please go through lecture notes of week-8 (slide no.22) for better understanding.

QUESTION 8:

8) Which of the following is not an attitude under the 'Entrepreneurship Competencies Model'?

    a. Self-efficacy
    b. Proactiveness
    c. Procrastination
    d. Innovativeness
    e. Perseverance

    Ans. c= Procrastination

    Solution: Please go through lecture notes of week-8 (slide no.27) for better understanding.

QUESTION 9:

9) ___ is a factor in the 'Academic Entrepreneurship-cum-Performance' model
   a. Academic mindset
   b. Academic perseverance
   c. Academic behaviors
   d. Social skills
   e. All of the above

   Ans. e= All of the above

   Solution: Please go through lecture notes of week-8 (slide no.28) for better understanding.

QUESTION 10:

10) By taking the role of a ___, educational entrepreneurs demonstrate what is possible when resources are used differently & point the way toward how policy & practice might be changed in the light of what they accomplish

   a. change agent
   b. content agent
   c. context agent
   d. private agent
   e. none of the above

   Ans. a= change agent

   Solution: Please go through lecture notes of week-8 (slide no.22) for better understanding.

Educational Leadership

Assignment- Week 9

TYPE OF QUESTION: MCQ/MSQ

Number of questions: 10   10 Total marks**: 10 X 1 = 10**

QUESTION 1:

1) ___ refers to independent learning where students learn at their own pace in different times and spaces.

    A. whenever and wherever learning
    B. synchronous learning
    C. asynchronous learning
    D. paced learning
    E. none of the above

    Ans. C= asynchronous learning

    Solution: Please go through lecture notes of week-9 (slide no.04-06) for better understanding.
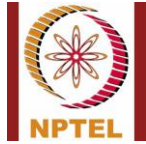

QUESTION 2:

2) Zoom, MS Teams or Google meet classes held during the pandemic refer to ___ type of learning.
    A. synchronous learning
    B. asynchronous learning
    C. synthetic learning
    D. none of the above

    Ans. A= synchronous learning

    Solution: Please go through lecture notes of week-9 (slide no.05-07) for better understanding.

QUESTION 3:

3) Which of the following is true regarding teachers' role in online learning during the pandemic?

        A. Increased focus on individual needs and learning styles
        B. Increased expectancy to be available for students
        C. Encourage collaboration for motivation
        D. Encourage higher participation through creative methods
        E. All of the above

Ans. E= All of the above

Solution: Please go through lecture notes of week-9 (slide no.08-10) for better understanding.

QUESTION 4:

4) Which of the following is not an effective way to motivate online learners?

        A. Establishing a sense of social isolation
        B. Online collaboration
        C. Prompt feedback
        D. Designing and organizing activities

Ans. A= Establishing a sense of social isolation

Solution: Please go through lecture notes of week-9 (slide no.10-12) for better understanding.

QUESTION 5:

5) Which of the following is not a component of the 3Cs useful in the post-pandemic new normal education setting?

    A. Consistency
    B. Caste
    C. Creativity
    D. Community

    Ans. B= Caste

    Solution: Please go through lecture notes of week-9 (slide no.13-15) for better understanding.

## QUESTION 6:

6) High levels of digital task engagement may result in ___

    A. conceptual change
    B. psychological well being
    C. improved understanding about students'
    D. All of the above

    Ans. D= All of the above

    Solution: Please go through lecture notes of week-9 (slide no.16-18) for better understanding
    .

QUESTION 7:

7) Which of the following does not come under the 5E framework in the context of online flipped classes?

    A. engage
    B. evacuate
    C. explore
    D. explain
    E. evaluate

    Ans. B= evacuate

    Solution: Please go through lecture notes of week-9 (slide no.18-22) for better understanding.

QUESTION 8:

8) Effective feedback is ____

    A. specific
    B. descriptive
    C. student-initiated
    D. time appropriate
    E. all of the above

    Ans. E= all of the above

    Solution: Please go through lecture notes of week-9 (slide no.23-25) for better understanding.

QUESTION 9:

9) Mid-term and end-term exams are types of ___

    A. summative assessment
    B. collective assessment
    C. formative assessment
    D. none of the above

    Ans. A= summative assessment

    Solution: Please go through lecture notes of week-9 (slide no.26-38) for better understanding.
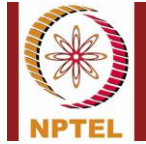

QUESTION 10:

10) Before feedback can be given, ___ clarifies learning intentions for students and sets the context for feedback.

    A. feed-up
    B. feedback loop
    C. feed-forward
    D. none of the above

    Ans. A= feed-up

    Solution: Please go through lecture notes of week-9 (slide no.48-50) for better understanding.

Educational Leadership

Assignment- Week 10

TYPE OF QUESTION: MCQ/MSQ

Number of questions: 10   10 Total marks**: 10 X 1 = 10**

QUESTION 1:

1) Andragogy means the understanding of the science and practice of ___

      A. adult learning
      B. children learning
      C. women learning
      D. none of the above

      Ans. A= adult learning

      Solution: Please go through lecture notes of week-10 (slide no.02-03) for better understanding.

QUESTION 2:

2) Which of the following is not a principle of andragogy?

      A. self-direction
      B. experience
      C. mentorship
      D. transformation
      E. physical orientation

      Ans. E= physical orientation

      Solution: Please go through lecture notes of week-10 (slide no.05-07) for better understanding.

QUESTION 3:

3) The best micro-learning content is ___

    A. under 6 minutes
    B. focused on a single concept
    C. specific to an objective
    D. all of the above

    Ans. D= all of the above

   Solution: Please go through lecture notes of week-10 (slide no.14-15) for better understanding.

QUESTION 4:

4) Which of the following is not among the key metrics to show which courses are engaging learners, and which could use an instructional-design rethink?

    A. total time spent learning
    B. learner progress
    C. qualitative feedback
    D. assessment breakdowns
    E. number of books purchased by learner

    Ans. E= number of books purchased by learner

    Solution: Please go through lecture notes of week-10 (slide no.16-17) for better understanding.

QUESTION 5:

5) Learning transfer is a process of ___

    A. rote learning, memorizing and processing
    B. memorizing, resting and applying
    C. internalizing, ignoring, processing
    D. comprehending, evaluating, applying
    E. internalizing, comprehending and applying

    Ans. E= internalizing, comprehending and applying

    Solution: Please go through lecture notes of week-10 (slide no.20-23) for better understanding.

QUESTION 6:

6) The solution for the learning need of willingness is ___

    A. just-in-time learning
    B. learner-analytics
    C. social learning environment
    D. transferable skills

    Ans. D= transferable skills

    Solution: Please go through lecture notes of week-10 (slide no.22-26) for better understanding.

QUESTION 7:

7) Which of the following is a benefit of using LMS for self-paced learning?

    A. collaborative social learning tools
    B. chatting about ideas
    C. useful resources
    D. discussing difficult chapters
    E. all of the above

    Ans. E= all of the above

    Solution: Please go through lecture notes of week-10 (slide no.25-27) for better understanding.
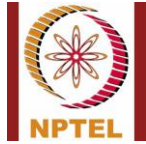

QUESTION 8:

8) Which of the following is not used to fulfill the need for learning by doing?

    A. simulations
    B. animations
    C. interactive-activities
    D. experiential exercises
    E. lectures

    Ans. E= lectures

    Solution: Please go through lecture notes of week-10 (slide no.30-31) for better understanding.

QUESTION 9:

9) ___ is also called "Self-determined Learning".

   A. Heutagogy
   B. Pedagogy
   C. Ontology
   D. Andragogy
   E. None of the above

   Ans. A= Heutagogy

   Solution: Please go through lecture notes of week-10 (slide no.31-35) for better understanding.

QUESTION 10:
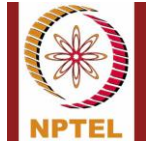

10) Which of the following is an example of lifelong learning?

   A. developing a skill of cooking
   B. learning a new language
   C. learning how to use a new phone
   D. enrolling in an educational degree
   E. all of the above

   Ans. E= all of the above

   Solution: Please go through lecture notes of week-10 (slide no.60-65) for better understanding.
